

## Guidelines for installing STT and importing data sets (For W-STT-P)

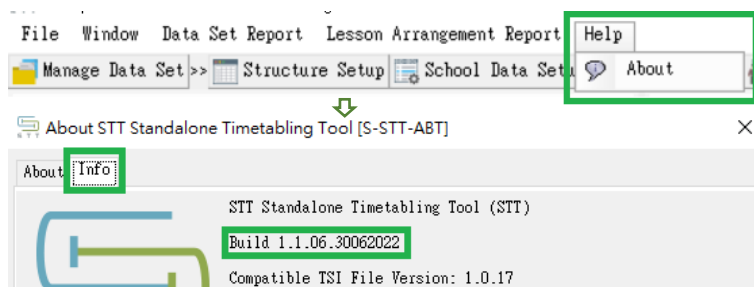

Check whether STT has been installed on your computer.

YES

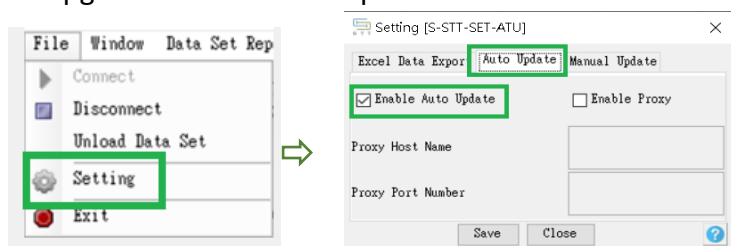

NO

- Upgrade it to the most updated version, i.e.

**Build 1.1.06.30062022.**

- Follow the steps below if you wish to automatically upgrade it to the most updated version.

- Approach your school system administrator (sysadmin) for the license key sent via CDS.

**Date of CDS message**

*29 June 2017*

**Subject of CDS message**

*Rollout of the New "Standalone Timetabling Tool" in WebSAMS (Primary School)*

- If it is lost, sysadmin is advised to send the request to [WebSAMS School Liaison Officer](#) for re-sending it.
- Then, follow the steps in “**Installation procedures**” to complete STT installation.
